Run of Show

World Cup Final Viewing Party · July 19, 2026

1:00 PM	Setup crew call time
1:30 PM	Setup begins — room reconfig, AV test, signage, decor/props placement
2:00–2:15 PM	Qdoba delivery window
2:20 PM	Setup Captain final walkthrough — every station doors-ready
2:30 PM	Doors open — food service begins, photo booth live, prediction-form QR signs up around the room (no door table)
3:00 PM	Kickoff — World Cup Final
~3:25–3:35 PM 1st-half hydration break, ~3 min	Open slot — host's-choice wildcard gift card if something's earned it, or just a breather
Halftime (~15 min)	Trivia + prediction teaser (script below)
2nd half	Game continues; **slalom challenge** open all event (dribble the cone course, ball stays on the ground, finish for a trophy — no bracket); finger soccer / foosball casual in overflow space
~4:35–4:45 PM 2nd-half hydration break, ~3 min	**Best Dressed reveal** — host announces the pick directly (no crowd vote, no runner-up trophies), hands over the gummy bear. Not clock-fixed — watch for the ref's whistle / broadcast cutting to commercial.
Final whistle	Prize announcements — secure the prize box before teardown starts
Post-game	Wind-down, teardown begins
7:30 PM	Cleanup complete, building walked and confirmed clear

SECOND-HALF HYDRATION BREAK — BEST DRESSED (~3 MIN)

FIFA mandates one 3-minute hydration break per half tournament-wide this year (heat rule) — the ref calls it at the next stoppage after roughly the half's midpoint. For a 3 PM kickoff, expect it somewhere **~4:35–4:45 PM**, moving with the flow of play. **No crowd cheer, no runner-up trophies** — you've already picked the winner. Announce, reveal the gummy bear (keep it hidden until now — the unveil is the bit), hand it over. Fast: nothing else to run in the 3-minute window.

HALFTIME SCRIPT (~15 MIN)

- **Trivia** (5–7 min) — pull from the 30-question bank (host card, p.3). One buzzer per table; first buzz answers, wrong answer freezes that table out. Start with the original easy→hard 12; drop into the 18 backup gimmes (Q13–30) if energy dips or the room stalls. Winning table gets a $35 gift card (split/RPS — say so up front).
- **Prediction teaser** — remind the room the closest score wins at full time (first-goal minute breaks ties); form's still open.

FINAL WHISTLE

- **Prediction card winner** — pull the Google Sheet, sort by closest combined score (tiebreaker: closest first-goal minute) → $35 gift card.
- **Slalom challenge** — no single winner to announce; trophies already handed out live all event to anyone who finished the cone course.
- **Host's choice wildcard** — award the 3rd $35 card live, for whatever earned it (loudest table, best comeback, etc.) — your call, any time during or after the game.

Halftime Trivia — Host Card

World Cup Final Viewing Party · July 19, 2026

How to run it: One buzzer per table. First buzz answers; wrong answer freezes that table out for the question. Start with Q1–12 (easy→hard); if the room stalls on a hard one, drop straight into the Q13–30 backup gimmes. Winning table splits the $35 gift card. **Verify Q4 and Q12 the morning of — both need a same-day check.**

Prize / Winner Cards

World Cup Final Viewing Party · July 19, 2026

Three identical cards — no game name printed, so any can go to trivia, prediction, or the host's-choice wildcard. Best Dressed gets the gummy bear only (no card, no code — nothing to print for it). Cut along the dashed lines.

Setup Crew Task List

World Cup Final Viewing Party · July 19, 2026

> **Setup window:** 1:00 PM crew call → 1:30 PM setup begins → **2:30 PM doors** (hard stop), ~90 min. Venue: Auditorium. ~8–10 bodies covers it comfortably; a Setup Captain runs the room so Connor can float.

0. SETUP CAPTAIN — 1 PERSON

- Hold the 1:30/2:30 timeline; keep stations moving toward doors
- Assign arriving volunteers to a station, hand out task cards
- Final walkthrough at 2:20 PM before doors — every station "doors-ready"
- Post custodian phone number on chalkboard; give to staff

1. ROOM RECONFIGURATION / SEATING — 4–6 PEOPLE (BIGGEST LIFT, START FIRST)

- Set auditorium to viewing layout — chairs/tables angled to main screen
- Clear sightlines: no chairs blocking the screen or aisles
- Stage overflow-space area for the **slalom challenge** / finger soccer
- Keep aisles walkable; leave a clear food-line path
- (If Sunday-morning reset needed, note original layout before moving)

2. AV / STREAMING — BRIAN + 1–2 HELPERS

- Position + power main screen/projector; test the World Cup stream (Hulu Live; Jennifer Claffey = backup)
- Sound check — audible at back row, host mic working for halftime
- Run/tape down cables so nothing crosses a walk path
- Confirm WiFi info card ready for crew
- House music/visuals cued on lobby TVs
- Test lobby TVs synced to the auditorium game projection (not just house visuals)

3. FOOD & CONCESSIONS STAGING — 2–3 PEOPLE

- Set food tables; dress with the 2 grass-print tablecloths
- Stage food; self-serve Qdoba bar
- **Drink station:** set out lemonade, iced tea, and water in containers/dispensers — lemonade + iced tea come from the Qdoba order (1 gal/order, 8 orders each); water staged separately (ice water dispenser or bottles). Cups/ice from the Qdoba delivery or in-house stock.
- Trash cans out in lobby + by food; liners in
- Food setup **complete before doors** (Connor / food partner)

4. DECOR & PHOTO BOOTH — 2–3 PEOPLE

- Hang 98 ft country string-flag banner (entry + food area)
- Hang green fringe photo-booth curtains + 7×5 stadium backdrop (pairs with Heather's photographer)
- Scatter mini trophies on tables as decor
- Dress entry so the "world" feel reads on walk-in

5. GAMES SETUP — 1–2 PEOPLE

- Lay out the **slalom cone course** at the overflow end — no goal, no shooting line — adult and kid lanes, same footprint as the old shooting setup
- Stage foam balls (silent/low-bounce) at the start of the course
- Set out 2 finger-soccer tabletop games
- Stage trivia buzzers near host position

6. PREDICTION FORM QR SIGNS & BEST DRESSED SIGNAGE — 1–2 PEOPLE (NO DOOR TABLE)

- No dedicated entry table for predictions — it's a Google Form now. Post printed QR-code signs around the room (food area, seating clusters, entry), not staffed by anyone.
- Best Dressed signage/prompt at entry — plug the contest as people walk in
- No door-person briefing needed for prediction cards; the Best Dressed pitch can still go to whoever's greeting at entry

7. SIGNAGE & LOBBY — 1–2 PEOPLE

- Parking QR code sign out in lobby
- "Room Closed" signs on office door + classroom door
- Tidy sofas/ottomans (line up with window); tidy rocking chair area
- Walk aisles for trash; empty all cans
- Dim lobby lights once event begins

8. VOLUNTEER ROOM (IF IN USE) — 1 PERSON

- "Room Closed" sign on door
- Coffee + fixings, hot water, snacks, ice water
- Volunteer lanyards out
- Break down after event midpoint

9. BATHROOMS — CUSTODIAN (CREW BACKUP)

- Counters wiped, trash emptied, TP + paper towels full before doors
- Brief custodian: bathrooms + trash are their beat

QUICK LABOR MATH

Station	Bodies
Setup Captain	1
Room / seating	4–6
AV	Brian + 1–2
Food	2–3
Decor / photo booth	2–3
Games	1–2
Entry / prediction cards	1–2
Signage / lobby	1–2
Volunteer room	1
Total	**~13–20 slots; 8–10 people covers it with doubling-up**

Pool reality check: 23 said Yes to setup — enough to fill every slot with margin. But 12 of them said Yes to setup and No/blank on cleanup (Serrano, Washburn, Whitney, Harrison, Reyes, Smith, Pan, Tolbert, Fitch, Parker, Dimitrios & Elias Ioakeim) — assume they walk before teardown, so don't count them for the second work stream.

Teardown Crew Task List

World Cup Final Viewing Party · July 19, 2026

> **Starts at the final whistle.** Building must be walked and confirmed clear by **7:30 PM**. Target: 6–9 volunteers + Joe (AV) + custodian — Russ Sullivan committed an 8–10-person teardown crew; assign a teardown captain from that group so Connor owns zero teardown tasks.

BEFORE ANYONE TOUCHES ANYTHING

- **Do NOT power down or unplug AV** — Joe resets/restores all AVL. Crew leaves screens, projector, sound, and streaming source alone until Joe clears it.
- **Secure the prize box first** — pull the labeled prize/host-table box (gift cards, gag prize, trophies) and hand it to the captain or Connor before general teardown.
- Confirm the game is actually over and prizes fully awarded before stripping the host table.

STATIONS & PROPS BREAKDOWN

- Prediction QR signs — collect all ~20 printed QR signs from around the room; recycle if disposable, keep if laminated.
- Trivia buzzers — collect all 16 buzzers (2×8-pack), count back to 16, pull batteries before packing so they don't drain/corrode.
- Best Dressed — nothing physical beyond the gag prize (already in the prize box).
- **Slalom challenge** — collect all cones/markers, pack for storage. Collect the indoor soccer ball(s) and any unclaimed mini trophies (return to prize box). **No goals or tape shooting lines to pull** — the goal mechanic is out; the 2 pop-up goals aren't being deployed for this station.
- Photo booth — take down the 7×5 soccer backdrop and green fringe curtains; remove all painter's tape/Command strips from the wall.
- Finger-soccer tables (2 Totority sets) — pack both sets, wipe side tables.
- Foosball table — return to its normal storage spot.

DECOR BREAKDOWN

- Take down the 98 ft string flag banner — coil loosely, store with props.
- Remove mini flags / bunting.
- Strip grass-print "pitch" tablecloths (2) off the food/station tables.
- Remove any balloon/banner decor and event-specific signage from entry and food areas.
- Pull all temporary event signage — "Room Closed" signs, parking QR sign, custodian number off the chalkboard.

FOOD & CONCESSIONS BREAKDOWN

- Break down food service tables and concessions stand.
- Box/store or dispose of leftovers appropriately (Qdoba/food partner items) — nothing left out.
- **Drink station:** empty and rinse the lemonade, iced tea, and water containers/dispensers; store or return per their source (Qdoba-supplied containers vs. in-house). Dispose of leftover ice.
- Wipe down all food-contact tables.
- Break down lobby concession trashcans (if used).

FURNITURE & ROOM RESET

- Break down and store all event tables.
- Reset chairs to Sunday-morning auditorium config — a service follows Sunday.
- Restore auditorium layout to standard (undo the viewing-party reconfig).
- Re-tidy sofas and ottomans — line up with the window.
- Re-tidy rocking chair area.
- Return any borrowed furniture/props to their home locations.

TRASH & FACILITY (WITH CUSTODIAN)

- Walk all aisles — collect trash.
- Empty all trash cans (auditorium, lobby, concessions).
- Bathrooms: wipe counters, empty trash, refill toilet paper, refill paper towels.
- Green room / volunteer room (if used): break down coffee/snacks/water, clear lanyards, leave clean.
- Leave office and sofa area clean and tidy.
- Restore lobby lighting to normal; turn off house music / lobby-TV visuals.
- Custodian: captain briefs custodian on bathrooms + trash; keep the posted custodian number handy.

AVL & FINAL WALK

- Joe: check AVL, reset/restore to working order (screens, projector, sound, streaming). Crew confirms with Joe before considering the room done.
- Confirm all props/bins are staged in one place and labeled for storage.
- **Captain walks the entire building — confirm everyone is OUT.**
- Lights out, doors secured per custodian/Brian.

HANDOFFS AFTER TEARDOWN (CAPTAIN FLAGS TO CONNOR)

- Brian — request pay for custodian.
- Return borrowed Grace inventory (any facilities tape/stock) to Matt's crew.
- Note any damaged/missing props for the next event's inventory.
